“Preparing Students For Life”

***A Christ-Centered College Preparatory School
Kindergarten - Grade 12***

President's Welcome Message!

Dear Parents and Students,

Welcome to Life Prep Academy.

It is both a privilege and a joy to invite you into a school community defined by purpose, conviction, and a commitment to excellence.

At Life Prep Academy, we believe education extends far beyond academics. It is the intentional formation of the whole person—mind, character, and spirit.

Our mission is equipping world changers to exemplify the character of Jesus.

Within our classrooms and throughout our community, students are challenged to think critically, pursue truth, and grow in wisdom. Our faculty and staff are deeply committed to cultivating a Christ-centered environment where intellectual rigor is matched by spiritual depth and where character is developed with intention.

We are not simply preparing students for college or careers—we are preparing them for lives of meaning, influence, and leadership. In a world marked by constant change, we seek to anchor our students in timeless truth, equipping them with integrity, discernment, and a steadfast biblical foundation.

Thank you for considering Life Prep Academy as a partner in your child's journey. It would be our honor to walk alongside your family as we invest in the next generation of leaders who will impact their communities—and the world—for the glory of God.

With gratitude and expectation,

Rob Rotola
President
Life Prep Academy
